9. State 911 Coordinator Report – Lance Terry

Discussion about registration forms, report cards, COOP, and NG911. Lance also talked about training and the subcommittee for Standardized Training. Reporting calls stats are not registered. State statute calls for answering response times and standardized reports. Ben Curry sent out email about Call Taking Standard and requesting comments. Federal legislation for reclassifying dispatchers is not going to happen. We need a state level movement. Attorney General's office is reviewing on whether or not we can obtain Covid 19 address for first responders.

11. Public Comments

Support one another. Stacey told us that a dispatch center added a gold line to their center for support. Karen and Stacey are awesome per Lance, we all agreed. Melinda advised that if anyone needed help during the protest that Weatherford could help. Oklahoma City had some damage, windows broken, attempt to get inside.
